

Laberinto de superhéroes

Traza el camino desde el dibujo de inicio hasta el de llegada. No cruces las líneas.

Ayuda a **el superhéroe** a llegar hasta **la bandera de llegada**.

A maze game interface. At the top left is a superhero character with a blue mask and a red cape with a yellow star. The maze is a complex grid of black lines with a thick orange path. At the bottom right is a red flag with a white star on a black pole. There are small decorative stars in the corners: a pink star and a teal star at the top right, and a teal star and a yellow star at the bottom left.
