A maze game interface. At the top left is a yellow square icon with a black 'X'. At the bottom right is a pink flag on a black pole. A thick orange line traces a path from the top left towards the bottom right, navigating through the maze's corridors. The maze is composed of black lines on a white background. There are decorative stars in the corners: a pink star and a teal star at the top right, and a teal star and a yellow star at the bottom left.
